What Changed

Hero copy refresh	New hero slogan: 'Tank care, taken care of.' Replaced the previous tagline. Tightened the supporting paragraph copy for clarity and brevity.
Header logo — transparent mark + teal CSS wrapper	Switched header logo to use a transparent icon mark PNG with a teal-colored CSS background wrapper, keeping the visual consistent with how the app header logo was styled. Added header-icon.png asset.
Icon fix — revert to full teal PNG apple-touch-icon	The transparent mark approach caused inconsistency with the apple-touch-icon. Reverted to using the full teal-background PNG for the apple-touch-icon. Removed the CSS wrapper approach and simplified the border-radius handling. Second iteration same day.

index.html	Hero slogan update + supporting copy tightened
header-icon.png	New — transparent icon mark for header
shared.js	Header logo: transparent mark + teal wrapper, then reverted to full teal PNG
style.css	CSS wrapper styles added, then cleaned up after revert

Why It Changed

Marketing copy was updated to better communicate the product value. The header logo was iterated to match the app's visual language — two attempts on the same day to find the right approach between transparent mark and full teal icon.
